

Dear Fellow Republicans:

The Republican Club of Ewing Township has been working at strengthening our party here in the township. As you well know, Ewing is confronted with many issues facing the taxpayers—in particular rising taxes and public safety.

Our members have been investigating the errors and omissions of past administrations which have contributed to the current financial difficulties. We don't have to remind you that this township has had one-party rule for decades. For us to continue our efforts on your behalf, and to support our candidates for office, we need funding.

Therefore, we are asking you to donate \$10.00 to \$50.00 (or more) to our organization for the coming year. Your contribution will enable us to pursue the important work at hand and to support our candidates in the coming election. Unlike our opposition, we are not funded by county and state political organization. If we are to succeed, we need your help and are hopeful that you will contribute to enable us to continue to work for you.

Thank you for your support
